Welcome to the 2017 Delaware Professional Squash Singles Championship. Historically we have hosted a professional squash doubles championship so this is a new event here at Wilmington Country Club. It has a real international flavor as we have players from England, Canada, Bermuda, Malaysia, Ireland, Denmark, Egypt and more.

There will be plenty of high quality matches with extended rallies that will even make you feel exhausted while sitting comfortably in the bleachers. These players are fit, fast and ferocious and they have a vast arsenal of shots. The deft touch and power shots will be mesmerizing. Try not to hold your breath while these players race around the court giving it there all.

On the heels of the very successful CAN-AM cup, this event would not be possible without the support of some new sponsors as well as some of our mainstay supporters. Our new sponsors are Horizon Services Inc. and The Safegard Group. I want to thank them for coming on board and being a part of this new event. Also, I would like to thank Homewood Suites for their support and housing the players, Standard Distributing and Heineken for the beverages, Sydney Thomas Jewelers for support as well as prizes, and PricewaterhouseCoopers. Additional patrons for the event are Todd Anderson, Kenny Wynn, Jim Zug Jr. and Tony Cardinal. Thanks to all who have been so generous in supporting this singles tournament.

Please visit delaware.ussquash.com for updates, results, pictures and links to our sponsors.

Good luck to all participants! Enjoy!
